**To the Occupier**

## Consultation information enclosed

Dear Resident,

### Have your say on the plans for your area.

As you might remember, we have been working on our plans for the 'North Area Strategy', as part of the regeneration of North Solihull. Our plans for the area included a housing development and green space improvements on the land between Chester Road and Windward Way, often called Woodlands Highway. We last consulted on this proposal in February 2008.

Since this time we have made some changes to the detailed design layout.

We will be asking for planning permission for these plans soon, but before we do that, we want to hear your suggestions and comments on our plans.

To have your say come to one of our drop-ins at:

Date	Time	Venue
Tuesday 8 <sup>th</sup> September	5pm – 8pm	St John's Catholic Primary School, Arran Way – Excellence in the Community room
Thursday 10 <sup>th</sup> September	10am – 1pm	St John's Catholic Primary School, Arran Way – Excellence in the Community room
Monday 7 <sup>th</sup> September – Friday 11 <sup>th</sup> September	9am – 4pm	Capitol House, Kingshurst Way

If you have any questions or if you are not able to come along to these drop-ins and would like to talk us about these plans, please give us a call on freephone 0800 389 7997.

The plans will also be available to view and comment on via our web site, [www.northsolihull.co.uk](http://www.northsolihull.co.uk), from Monday 7<sup>th</sup> September 2009.

Yours faithfully

Wayne Pittam  
North Solihull Partnership
